

Dear valued members, and guests,

On behalf of everyone at Coyote Creek Golf Club, our hearts go out to all those impacted by the Corona Virus (COVID-19). As we face this difficult time together in our communities, and our world, our focus is on the health and safety of our employees, and guests.

As the situation is changing rapidly, and to do our part in slowing down the spread of the virus, we will be adhering to the Santa Clara "Shelter in Place Declaration" requiring all non-essential businesses to close until at least April 7th, 2020. As of today, March 17, we are temporarily closing the property, and providing the order is lifted at that time, we will plan on reopening Wednesday, April 8th.

If for any reason you need to contact us during the closure, please contact me via the below e-mail address with any questions you might have, or call me directly as well.

We remain committed to providing the best possible golf and private event experience for you at Coyote Creek Golf Club, and apologize for the abrupt communiqué and course closure during these extraordinary times.

While we don't know what the future holds we feel confident that by supporting each other, and doing everything in our power to stay healthy, we'll emerge from this stronger than before.

We look forward to seeing you when we reopen.

Be well,

Michael R. Fish

General Manager, Coyote Creek Golf Club
