## General rules and safety for the Saturday Academy

We want to make sure that you can be confident that your student will be in a safe and structured as well as a fun and informative environment. As a result, the following guidelines have been developed and will be enforced:

- A well-fitting face mask covering the nose and mouth must be worn at all times by each student as well as by each of the instructors. We will be adhering to all Santa Clara County guidelines and will make changes as they are presented and approved. Students **MUST** come to Saturday sessions each time with a mask on their face until further notice. (We will be using the Santa Clara County guidelines for mask use in K - 12 schools and will always err on the side of caution if a guideline is open to interpretation.)
- Students will not be able to participate if they are sick, coughing or running a temperature.
- Students must bring their own water bottle/snack. There are no community water jugs on the premises.
- Please have your student use the restroom on site before the session starts as we do not have the staff ratio to escort minor students to the restroom during sessions. The course restroom is about 300 yards to the east of the driving range by the snack bar-- it is too far from where the session is conducted to send students to it on their own. The clubhouse restroom is also available to the public for use prior to the start of the session.
- Students must supply their own golf clubs.
- Students may be dropped off and picked up by the driving range (on the left side of the driveway as you head into the course, opposite the first parking area on the right). Please do not pick up your student without letting a coach know.
- Students must be mature enough to respect each others' space and equipment and follow the rules. There can be no exceptions. If the student does not follow the rules they will not be allowed to participate.

I, \_\_\_\_\_, the parent/legal guardian of the above-named minor, give approval for participation in Coyote Creek Golf Club sponsored activities. I assume all risks of injury whatsoever and agree to hold Coyote Creek Golf Club harmless from claim(s) of any nature arising from any activity, including modes of transportation, connected with the Coyote Creek Golf Club facility or program. This 'hold harmless' agreement includes but is not limited to any claim due to injury proximately resulting from actions of representatives of Coyote Creek golf Club including its employees, agents, LPGA and PGA Professionals, participating agencies, and volunteers.
