## Some Rules to Keep Your Child and Other Campers Safe.

We want to make sure that you can be confident that your child will be in a safe, structured, fun and informative environment.

- We'll be practicing safe distancing for discussions and shot-hitting areas.
- A face mask is optional to feel safe for the camper and instructors, especially when practicing in close quarters.
- Students must bring their own water bottle/snack. There are no community water jugs on the premises.
- Students must use the bathroom facilities before the session starts. (The only available bathroom is near the snack shack or inside the Clubhouse during lunch break.)
- Students are advised to bring/use their own golf clubs. No sharing of clubs unless students are in the same family.
- The drop-off and pick-up site will be by the small buildings by the driving range.
- Students must be mature enough to respect others' space, equipment, and follow the rules. There will be no exceptions. If the student does not follow the rules, they will not be allowed to participate.
- Students will be unable to participate if they exhibit cold or flu-like symptoms.

We are fortunate that golf is one of the safest outdoor recreational activities. With respect for each other and safe practices, we can learn together and have fun!

I, (Print full legal name) \_\_\_\_\_ the parent/legal guardian of the above-named minor, approve participation in Coyote Creek Golf Club-sponsored activities. I assume all risks of injury whatsoever and agree to hold CoyoteCreek Golf Club harmless from claim(s) of any nature arising from any activity, including modes of transportation, connected with the Coyote Creek Golf Club facility or program. This 'hold harmless' agreement includes but is not limited to any claim due to injury proximately resulting from actions of representatives of Coyote Creek Golf Club, including its employees, agents, LPGA and PGA Professionals, participating agencies, and volunteers.
